

Environmental Division Review Comments
Land Use Designation Changes
County Plan LU-025-08: 4420 Cedar Point Lane / 4305 Fenton Mill Road
September 4, 2008

General:

1. These parcels are situated in the Ware Creek watershed of the County and are currently not subject to any watershed management plan requirements.
2. No environmental concerns with this proposed change. No known RPA or other sensitive features on site.
