

**Environmental Division Review Comments**  
**Land Use Designation Changes**  
**County Plan LU-040-08: 1332 Jamestown Road**  
*September 4, 2008*

**General:**

1. This parcel is situated in the Mill Creek watershed of the County and is not currently subject to any watershed management plan requirements.
2. No environmental concerns with this proposed change. No known RPA or other sensitive features on site.
3. Offsite drainage easements may be necessary to properly connect to receiving drainage systems.
4. This area has some historical problem drainage issues.
