Other Comments:

This site plan is scheduled for the January 27th Development Round Table (DRT) meeting at 2:00 p.m. Building A.

Plan is approved by the Engineering and Resource Protection Division. A Land-Disturbing Permit and Siltation Agreement, with surety, are required for this project. Dust control measures shall be implemented for site erosion and sediment control due to proximity of work to Pocahontas Trail US Route 60. Registration for a state USMP-UPDES general permit for construction activities (VAR10) is required through the Virginia DEQ.
