Other Comments:

Staff notes that several agencies have reviewed and approved this plan previously. Due to some modifications and additional information provided by the applicant, staff is forwarding the plans for confirmation that the agency approvals are still applicable. *Revised plan revision materials, including submittal of a spill pollution and prevention plan for ride operation & maintenance activities, are approved by the Engineering and Resource Protection Division. Conditions of Engineering and Resource Protection approval, by transmittal dated May 5, 2014, apply to the revisions.*
