Roberta,

I have reviewed the site plan for Williamsburg Landing Woodhaven Expansion. I have the following comments:

1. Sheets 5 and 6 reference A117.1 – 1986. The code reference needs to be updated to A117.1 – 2009.
2. Two complete sets of building plans will need to be submitted to Building Safety and Permits for review and permitting. The plans will need to include code data and show compliance with Institutional Use and Occupancy.

Thank you,
